

Health Pro, for your healthcare journey

Welcome to your **Health Pro** resources

We are here to help!

Your health and wellbeing are important

Navigating your healthcare can be complex and confusing. Now you have more options to support you, in which ever way works best for you.

Need to quickly access all your health benefit information in one place? Access your **Health Pro Connection** online. Prefer to chat with a person, or need extra help? Your **Health Pro** Team is waiting.

Log in to your personalized **Health Pro Connection** to:

- View information about your health plan coverage
- Choose in-network top-notch medical, dental and vision professionals
- Compare costs and make informed healthcare decisions
- Contact your **Health Pro Team** and view status of current requests

Connect with your **Health Pro** Team to:

- Find which lower-cost medications are available
- Set up medical appointments that fit your schedule
- Confirm benefits coverage was properly applied and get help solving issues
- Connect you with other benefits offered by your employer

With **Health Pro Connection** and your **Health Pro** you have the tools to support your healthcare needs, while maximizing your benefits.

There's no need to go it alone.

Need assistance? Access your **Health Pro Connection** for personalized benefits support now.
